Eleventh special session
Vienna, 29 January-2 February 1990
Item 8 of the provisional agenda*

INTERIM REPORT OF THE UNITED NATIONS FUND FOR DRUG ABUSE CONTROL

Report of the United Nations Fund for Drug Abuse Control

Note by the Secretary-General

1. The terms of reference of the United Nations Fund for Drug Abuse Control (UNFDAC) specify that the Secretary-General shall report to the Economic and Social Council, through the Commission on Narcotic Drugs, and, as appropriate, to the General Assembly, on the programmes and operations assisted by the Fund. 1/ Moreover, in its resolution 1987/32 of 26 May 1987, the Economic and Social Council decided "that the Executive Director of the Fund shall report regularly on the activities and programmes of the Fund to the Commission on Narcotic Drugs and to the Economic and Social Council when the council considers the report of the Commission".

2. In connection with the reporting procedure to be followed, the Commission decided at its twenty-ninth session in 1981 2/ that, beginning with its thirtieth session, a complete report from UNFDAC should be submitted biennially at its regular sessions. At any special session, a short interim report was to be submitted; but the biennial report was not to be limited in length. The Commission will have before it, at its eleventh special session, an interim report from UNFDAC (E/CN.7/1990/10). Additional statistics concerning the activities of UNFDAC will be issued as conference room papers (E/CN.7/1990/CRP.9 and CRP.10).
